

Enhanced Viewing of the Physician/Mid-Level Provider Pocket Guide on your iPhone/iPad

Viewing the Provider Pocket Guide can be enhanced on the iPhone / iPad by downloading the Adobe Reader application from the App Store.

Step 1: Download the free Adobe app  on your iPhone.

Step 2: Download the PDF document in your email.

Step 3: When the document opens tap the  button in the top bar and then tap 'Open In "Adobe Reader"'. The file automatically saves on the app for future viewing.
